During the closure, Edgewood Tahoe will ensure all active employees are paid. “Due to the unprecedented nature of COVID-19, we want our employees to know that they can count on us for support during these trying times,” said Corinna Osborne General Manager at Edgewood Tahoe Resort. “We know that the livelihood of our community depends on the Team that makes up our workforce. We will do everything in our power to ensure they are taken care of, including paying all active Team Members during the 30- day closure.”

In addition, we are also sensitive to the needs of our community and will be donating all of our perishable food items to local charities.
